SUSPECTED BANK ROBBER ARRESTED

Believed to be One of the Three Men Who Robbed the Bank of Washburn October 17. In Jail.

Sheriff Roberts and W. H. Jones, cashier of the Bank of Washburn, arrested Sunday at Rogers a young man who gives his name as Elmer Brown and brought him to Cassville Sunday night where he was landed in jail. Brown is believed to be one of the men who robbed the Bank of Washburn October 17.

Brown was apprehended upon suspicion once at Monett soon after the robbery and was searched when it was reported that he had been seen with quite a roll of money on his person. However, before he was searched he had in some way disposed of the money. A week or two after the robbery of the Washburn Bank Sheriff Roberts looked for Brown at Bartlesville, Okla., but he gave the officer the dodge. When arrested Sunday he told the Sheriff that he had been expected to be arrested most any day. Brown will be held for preliminary.

There were three men who took part in robbing the Bank of Washburn on Oct. 17, when about \$1,700 were stolen. It is now believed that the young man killed last week while attempting to rob a bank at Tar River, Okla., was one of the men who had part in the Washburn robbery. —Cassville Republican.
